SAMPLE COLLEGE HANDBOOK

Synthetic Rules and Student Information

Purpose: This fictional handbook is a teaching dataset for demonstrating Retrieval-Augmented Generation (RAG). It is not an official policy document and does not represent any real college.

Academic year: 2026–2027 (fictional example)

Version: 1.0 — Demonstration only

Use this PDF with the accompanying Python RAG demo.

1. Attendance Policy

Minimum attendance

Students must maintain at least 75% attendance in each course to be eligible to sit for the end-semester examination.

Attendance calculation

Attendance is calculated separately for each course using scheduled sessions and sessions attended, as recorded by the department.

Low attendance

Students below 75% attendance should contact the academic office. Any exception requires formal approval under college procedures.

Medical absence

Students requesting consideration for a medical absence should submit supporting documents to the academic office. Submission does not automatically waive the minimum attendance requirement.

2. Leave Policy

Requesting leave

Students should submit a leave request to their class adviser before a planned absence whenever possible.

Emergency leave

For an unexpected absence, students should notify their class adviser as soon as reasonably possible and submit any required documentation.

Effect on attendance

Approval of leave does not automatically waive the minimum attendance requirement for examinations.

3. Internal Assessment

Assessment structure

Each course has two internal assessments. The internal assessment score uses the better score from the two tests, plus any additional coursework specified by the department.

Missed assessment

A student who misses an internal assessment should contact the course instructor and academic office. A make-up assessment is not guaranteed and requires approval.

Results queries

Students should raise questions about an internal assessment result with the course instructor within seven calendar days of publication.

4. End-Semester Examinations

Hall ticket

Students must bring their valid college identity card and examination hall ticket to the examination hall.

Missing documents

Students without the required documents should contact the examination office before the examination begins. Entry is subject to the examination office's decision.

Timetable

Examination dates and room details are published by the examination office. Students should refer to the latest official timetable.

Arrival time

Students should arrive at the examination venue at least 30 minutes before the scheduled start time.

5. Library Rules

Borrowing limit

Students may borrow up to three books at a time.

Loan period

The standard loan period is 14 calendar days. A book may be renewed if no other student has reserved it.

Overdue books

Overdue books must be returned or renewed according to library procedures. Borrowing privileges may be paused until overdue items are resolved.

Library conduct

Students should maintain a quiet study environment and return books to the designated counter or return box.

6. Scholarship Applications

Where to apply

Scholarship applications must be submitted to the Student Welfare Office.

Deadline

Applications must be submitted by the deadline announced for the relevant academic year. Students should check the latest official notice for the current deadline.

Supporting documents

Required documents may include income records, academic marksheets, identity proof, and bank details, depending on the scholarship.

Application status

Students may contact the Student Welfare Office to ask about the status of a submitted application.

7. Student Identity Cards

Carrying the ID card

Students should carry their valid college identity card on campus.

Lost ID card

A student who loses an identity card should report the loss to the administrative office and follow the replacement process.

Use of another person's ID

Students must not use another person's identity card or lend their own card for access or identification.

8. Code of Conduct

Respectful behaviour

Students are expected to treat fellow students, faculty, and staff respectfully.

Campus property

Students must use classrooms, laboratories, library resources, and campus property responsibly.

Reporting concerns

Students may report safety or conduct concerns to the department office or designated student support office.

9. Laboratory Safety

Following instructions

Students must follow the instructor's safety instructions and posted laboratory rules.

Protective equipment

Where an activity requires protective equipment, students must use it before starting the activity.

Incidents

Any injury, equipment damage, or unsafe condition should be reported promptly to the instructor or laboratory supervisor.

10. Academic Support

Adviser support

Students may contact their class adviser for guidance about academic progress, attendance concerns, or student support referrals.

Office hours

Instructor office hours are announced by each department. Students should check the department notice or contact the instructor.

Study resources

Course notes, reading lists, and other study resources are provided according to each course's arrangements.

11. Fees and Payments

Payment dates

Fee payment deadlines are announced by the accounts office for each term. Students should consult the latest official notice.

Payment receipt

Students should retain the official receipt or digital confirmation after making a payment.

Payment difficulties

Students who anticipate difficulty meeting a deadline should contact the accounts office before the due date.

12. Contact Directory (Fictional)

Academic Office

For attendance records, leave documentation, and academic administration.

Examination Office

For examination timetables, hall tickets, and examination-day queries.

Student Welfare Office

For scholarship applications and student support referrals.

Library Desk

For book loans, renewals, and overdue items.

Important note

This sample contains no real phone numbers, email addresses, room numbers, or named staff.
